Thornhill
~~*Breland Rushing*~~

Pat...Thanks for the info. Have checked Rushing Surname as suggested. Liddy Breland would be the one married to Wm. Thornhill that I was interested in. Liddy is a sister of Millie Breland who was originally married to the father of Richard and William ODOM both in Marion CO MS in 1815. When their father died she remarried Mathew Cook and I had info that her sister had married Wm. Thornhill. Believe that Henry H. Thornhill listed line 26 in 1850 census, Simpson Co. MS is descendant of the Wm Thornhill and Liddy Breland who came to MS from Beaufort SC in early 1800's. Henry married Lavina ODOM (Oldham) d/o Richard and Elizabeth ODOM (Oldham) listed line 27 of 1850 census Simpson Co. Have no further info at this time but will keep your request in mind and send you pertinent info as acquired.

Now if I can only trace Millie Breland back I might be able to get more info on the father of Wm. and Richard ODOM. In 1820 "state" census there were also listed a Jacob and Shadrach Odom. Believe they could also be related to Wm. & Richard ODOM - perhaps brothers? Both are listed as 1 m. so they were both single. Have not been able to find anything further on either that I can tie in positively.

Again, thanks. You've helped me once again. I really owe you.

Pat, I'm back with my thoughts on this... it seems to me that it would have to be the elder Wm. who m. Liddy Breland to have a daughter of the age to marry Clairborn The above info came from an aunt but in one of the Rushing Past I have it states Liddys father as Thomas Thornhill of Pike county Ms with mother as Elizabeth Fitzpatrick and Ephrim marrying Milly Ann Thornhill d/o Wm. Thornhill and Liddy Breland Ephraim and Milly m. in 1820-21 Pike County Ms. It is possible she was looking at wrong Thronhill when she was talking to me on phone and I didn't go back to RP to cross ref. before sending Bobby note. I will check this out and enclude correct parents with my Rushing Family sheets I come up with. I feel it possible that the Thornhills, Brelands and Rushings all came to Ms together. I have m. date of Liddy and Claiborn as 1818-19....Hope this will shed some light on your Wm Thornhills.... I also beleive this Mathew Rushing, father of above two, was a minster. That would answer the why a Mathew of his age in a dif. County every census. As you can see I have a lot of work to do on this family, but think I am narrowing it down. At this point I am going to stick with Joshep as father of my Liddy until I prove otherwise. Willene

Maxwell

Pat, I just got on to *P* at home and after getting into the DAR on my grandmother's "coattail", I have really gotten into this genealogy thing. Our DAR Ancestor, Thomas Maxwell of Georgia and VA, disowned his son, Jeremiah, who, along with three older brothers migrated to Miss. around the Choctaw Cession era. Jeremiah ended up in Attala County and my UDC ancestor (I have not made it into the UDC yet MISSOURI is where we reside now), Issac Winston Maxwell married a Minerva Jane Sanders in 1845 and his daughter, Martha Florence married ANDREW JACKSON MATHEWS(Matthews?). I cannot find any record of the Mathews back prior to the 1830's, I have a copy of the census in Attala County back to 1830, but no luck prior to that and no mention of Andrew Jackson as a child on those census reports. Any mention of Mathews in anything you have? I'm from Artesia, MS and if I can help you with anything in Lowndes and Oktibbeha County, I'll be glad to. My maternal grandparents were John and Lida McIlwain. father's side from Germany and NY. That is proving to be a nightmare trying to trace them back to Germany because my parents divorced when I was 3 and mom moved back to Artesia. Hope we can become e-mail friends. It's depressing living way up here in the cold "North". I miss dogwoods blooming in late February.

Picked up on your note to Pat. I have the same line as you on the Thornhills and Fitzpatricks. Except I list more children and some of the ones you listed, I have a different spelling for. Hope I said that right! Anyway, here goes...William, Lydia, Mary (Polly), Patrick (B.F.P.), Joseph Jr., Solomon, Evan J., Henry Hiram, John, Lucilla, >> Do you have dates of birth, marriage, death, etc. I have the above on most of the above and their spouses names. I got this info from William Thornhill here on *P*. (Trying to remember if I ever sent him the things I promised, and what I promised)!! I will make extra copies of these charts if you would like them. It seems there are about 4 of us all searching this line at the present on *P*. Send me your address if you would like copies. Thanks for listening. I hope this helps. Judy TRAMMELL Smith, 12503 Maxim Drive, Houston, Tx. 77065

Copied your note. I haven't pursued the Thornhill line any further and not been to the library yet. The weather here finally cleared, but now there are more important things to do than have fun. I'm sure you know how that goes. The closest thing I have is a William Thornhill, b. S. Carolina abt. 1796, m. Mary Cain (Kane) Jan 29, 1818, Probably>>>> in Pike Co. Ms., died in Pike Co. Ms. June 10, 1874. Brothers and sisters were Lydia, Mary (Polly), Patrick (B.F.P.), Joseph Jr., Solomon, Evan J., Henry Hiram, John, and Lucilla. This info was from William Thornhill, here on *P*. I have most of the dates, spouses, and places. None on Lucilla. Parents of the above children were Joseph Thornhill, b/ aft/ 1850, in Pike Co. Ms. married c. 1795 to Elizabeth Fitzpatrick, b c. 1777 in S. Carolina, and died after 1850 in Pike Co. Ms. I have misplaced my info from Don May, but will find it soon. Had laid it out to copy for Pat and can't seem to find it at the moment. More>>>> I will find it and get back with you, as you know *P* will disconnect if we tarry for a minute>>>> Don't know how to handle these problems. Seems everyone is complaining, but

Dear Mrs Edwards

I am writing to see how much it
would cost for information on the Etheridge History.
The Pike County and Amite County Library doesn't
have a lot of information on the Etheridge family,
I got your name out of the Liberty Paper.
I have been working on this for about 2 years
but haven't gotten a lot of information.
I have gotten a lot from Cemeteries, and some from
the Library. But people aren't very cooperative.

From Mr. DeWitt Wallace - William (Bill) Thornhill came from Ireland, and he had fourteen sons.

- - - - -

Family Traditions - Two Thornhill Brothers settled in Pike County. These were probably Joseph Thornhill and wife Elisabeth Fitzpatrick, and William Thornhill and wife Liddie Breeland. William Thornhill and wife Liddie Breeland are accepted as Great-Great Grandparents of T. Walter Thornhill of Tylertown, Mississippi.

- - - - -

William Thornhill, who settled in the fork of Magee's Creek and Dry Creek, married Liddy Breeland. Elisha Thornhill, son of William Thornhill, born 1799 in South Carolina, married Mary Carr, born 1801. They married in South Carolina and their children were William B. Hillary B., Elisabeth, Isham, John M., Brian, Mary Ann, James W., Millie Ann and Susan. The Family Bible lists one other son, Henry Clay Thornhill. Joseph Thornhill married Elisabeth Fitzpatrick and settled near China Grove in 1812. They married in South Carolina and their children were Liddy, who married Claiborne Rushing of lower Magee's Creek. Polly married Jack Reddy of upper Magee's Creek, and their children were Evan J., Lucella, John, Hiram, Joseph Patrick and William. William's sons were Dr. Joe M. Thornhill, Eli, John Jones, and probably others.

Excerpts from The History of Pike County, written by Rev. Dr. Luke Conerly, who came from North Carolina in 1812. This book embraces the back circumstances and a general record of people who were settled in the new territory known as Mississippi from 1778 to 1876.

Pages 17-18 - Elisha Thornhill, being a son of William Thornhill, one of the first pioneer settlers of Tylertown, a district acquired by J. Thornhill 9/20/1816. A soldier of Gen. Carroll's army, he died on October 11, 1825, and was buried near Elisha Thornhill's home. Elisha Thornhill helped to identify the grave and the body was removed to Chalmette Cemetery, near New Orleans, after he had been dead for 93 years.

Page 24 - Listing of E. T. Thornhill is an error, as this should be E. C. Thornhill.

Page 25 - Joseph Thornhill's name appears. He lived near Holmesville, located in Section 21 and 28, T. 3, North R. 9 East. His first marriage license was issued in Pike County.

Page 58 - Joseph Thornhill settled a few miles north of China Grove in 1812.

Page 66 - Joseph Thornhill married Elisabeth Fitzpatrick in South Carolina. Their children are Liddy, married Claiborn Rushing of lower Magee's Creek; Polly, married Jack Reddy of Upper Magee's Creek; Evan J., Lucilla, John, Hiram, Joseph Patrick, and William, who was the father of Dr. Joe M. Thornhill.

His wife was Mary Carr, and their children were William B., Hillary B., Elisabeth, Isham, John M., Brian, Mary Ann, James W., Millie Ann, Susan, and Henry Clay. Tylertown is located on a tract of land originally acquired by J. Thornhill 8/20/1816: By custom the place was called Tylertown. The Post Office was changed to that name in honor of . G. Tyler.

Dr. Joe M. Thornhill was a First Lieutenant, Assistant Surgeon of the Dalgren Rifles, organized on Togisaw August 22, 1861. The Dalgren Rifles were attached to the 7th Regiment of Company H under General Chalmers. The Company met with a serious accident at Ponchatoula, Louisiana, when two trains collided. Wiott Thornhill, 3rd Sergeant, was killed in the collision.

There was one J. Thornhill of Pike County who was a member of Stockdale Cavalry, which was organized July 1, 1862 by Thomas R. Stockdale, who served as Major of the 16th Mississippi Regiment under Brigadier General Isaac R. Trimble. This Company was in all the skirmishes in the rear of Port Hudson. They fought at Fayette against Elliott's Marine Brigade and fought Sherman from Vicksburg to Meridian.

Organization

When this you see remember me,
though many a mile apart we be,
when I am where you cannot be,
fare away in the battle field.²²

Sgt. James W. Thornhill
Co. F, 38th Mississippi Infantry

Like most regiments raised during the Civil War, the history of the 38th Mississippi Infantry is firmly rooted at the county level. The rank and file of the unit was drawn from thirteen counties to fill the ten companies of the regiment. The initial process of organizing a company for the war was a task usually carried out by a man of wealth and prominence in the community, and this pattern was repeated during the 38th's formation. When approximately 100 men were recruited, an election was held by the soldiers of the company to choose the officers who would lead them. Quite often the position of Captain was won by the man who organized the company, and the other officers were selected from among the most influential men of the community.²³

The regiment's ten companies represented a broad cross section of the state: companies came from Holmes and Attala Counties in Central Mississippi, from Hancock County on the Gulf Coast, Newton County in the East, and from Claiborne County
